

Fill in your trip destination on the line below. Then, in the first column, list some tools you could use to plan your trip. In the second column, list tools you could use once you arrive at your destination.

Destination: _____

Tools for Planning Your Trip	Tools to Use at Your Destination

Examine the object on the placard you took from the sunken ship. Draw a picture of the object in the part of the ship outline that matches the place on the ship where you found the placard. Then look through Sections 3 to 10 in your Student Edition.

A1 Object:
This was important to explorers because . . .

B1 Object:
This was important to explorers because . . .

A2 Object:
This was important to explorers because . . .

B2 Object:
This was important to explorers because . . .

Find the section about this object. Read to find out why this object was important to explorers. Complete the information in the box that matches the place in which you drew the picture.

C1 Object:
This was important to explorers because . . .

D1 Object:
This was important to explorers because . . .

C2 Object:
This was important to explorers because . . .

D2 Object:
This was important to explorers because . . .

Choose the Word Bank below that matches the image you acted out. Write one to three sentences in the space at the bottom of the page that use all the words in your Word Bank. Use what you learned in the Reading Further and from your act-it-out to tell about what was happening in Europe during the late 1400s and the 1500s. Explain how this event related to exploration of the Americas.

Word Bank				
Ferdinand	Isabella	Muslims	reconquest	nation-state

Word Bank		
Reformation	Catholic Church	Protestants

Word Bank			
Queen Elizabeth	England	Spanish Armada	1588

Word Bank			
Isabella	Christopher Columbus	1492	New World

Suppose that you are an explorer returning to Europe from a trip to the New World. Write a page in your exploration log that includes

- an explanation of why you explored the Americas.
- a description of one new technology that helped you as an explorer.
- a description and a sketch of one item you are bringing back from the Americas.
